

RETAIL CREDIT CARD AGREEMENT

Standard Terms and Conditions | Personal Accounts

1. ACCOUNT AGREEMENT AND ACCEPTANCE

This Agreement governs the use of your Capital One credit card account. By activating, using, or retaining this card, you agree to be bound by all terms and conditions stated herein. This Agreement supersedes all prior agreements between you and Capital One with respect to your credit card account. Please read this document carefully and retain it for your records. If you do not agree to these terms, return the card unactivated and do not use the account.

2. CREDIT LIMIT AND AVAILABLE CREDIT

Your initial credit limit is stated on the Summary of Credit Terms accompanying this Agreement. Capital One reserves the right to increase or decrease your credit limit at any time, with or without prior notice, subject to applicable law. Your available credit equals your credit limit minus your current balance and any pending authorizations. Transactions that would cause your balance to exceed your credit limit may be declined or may result in an over-limit fee as described in Section 6 of this Agreement. Requesting a credit limit increase does not guarantee approval and is subject to credit review.

3. INTEREST CHARGES AND ANNUAL PERCENTAGE RATE

Your Annual Percentage Rate (APR) for purchases is disclosed in the Summary of Credit Terms. A daily periodic rate is applied to your average daily balance, excluding new purchases, to determine the interest charge for each billing cycle. No interest is charged on purchases if you pay your entire New Balance by the payment due date each billing cycle. Cash advances and balance transfers are subject to separate APRs and begin accruing interest immediately. There is no grace period for these transaction types. Penalty APR may apply if a payment is returned or if you make a late payment. Once applied, penalty APR remains in effect for a minimum of six consecutive billing cycles of on-time payments.

4. PAYMENT REQUIREMENTS

You must pay at least the Minimum Payment Due by the Payment Due Date shown on your statement. The Minimum Payment is calculated as the greater of (a) \$35.00, or (b) 2% of the New Balance plus any past-due amount and over-limit amount. Payments received after 5:00 PM ET on the due date are credited the following business day and may result in a late payment fee. Autopay enrollment is strongly recommended to avoid missed payments.

5. AUTHORIZED USERS AND ACCOUNT SECURITY

You may request an additional card for an authorized user. You are responsible for all charges made by authorized users. To add or remove an authorized user, contact Customer Service. You are required to notify Capital One immediately if your card is lost, stolen, or if you suspect unauthorized account activity. Your liability for unauthorized transactions is limited to \$50 under applicable federal law, provided you notify us promptly.

Include your account number, the dollar amount, and a description of the suspected error. Capital One will investigate and respond within 30 days. During the investigation period, the disputed amount will be provisionally credited to your account. If the investigation confirms the charge was valid, the provisional credit will be reversed.

8. ACCOUNT CLOSURE AND DEFAULT

Capital One may close your account, lower your credit limit, or suspend your charging privileges at any time and for any reason, including but not limited to: a significant decline in your creditworthiness, prolonged inactivity, or repeated policy violations. You may also close your account at any time by contacting Customer Service. Your account is in default if you fail to make the minimum payment by the due date, exceed your credit limit, or provide false information on your application. Default may result in immediate acceleration of your outstanding balance, referral to a collection agency, and negative reporting to consumer credit bureaus.
